The King of Creation's Thoughts about President "Peace Prize" Barack Hussein Obama

Two timely & mercifully revealing stories from the Premier Designer of the English Language & World History, Our Creator.

Still having a tough time understanding why Barack Obama received a peace prize?

See, prophecies state the "bad guy" comes as an angel of light in the name of world peace... but only as a temporary ruse.

(Obama works for the interests of the **elite international banking class**, not us regular folks. If he didn't the World's secretive **Pharaohs of Finance** would not approve and he would lose his job quick, like John Fitzgerald Kennedy (JFK)) Two family names heavily involved in Financial Pharaohship are The House of Rothschild & The House of Rockefeller. The elite currently have 2010-11 plans for 20-40% general inflation for Americans and other peoples around the world.

The endless "war on terror" is simply a global mafia orchestrated hoax bullied on you, the average people of the world, by the old elite managed corrupt establishment. The elite print up credit for the whole world out of thin air; so what kind of tricks did you think this group would also ultimately play on you? They counterfeit cash. In this corrupt system, with most of the world already built, do you think you and your families count as being precious, or are their many slaves, "the common people", *worthless* in the end - to them? Obama is a hired actor and liar, so enough worship already, ok?

So, help defeat any and all new unconstitutional "laws" or "orders". "Free Speech" is king of civil and basic human rights!

Well, the bottom line is you are definitely not worthless, *if* you help to inform others and expose the great hoax, thereby bringing down the power this poser, and being a vital part of the monumental peace process yourself.

The chance the following incredibly amazing pure anagram "prophetic stories" have arisen by "some astonishing coincidence?"– each line a perfect anagram and all the hundreds of witty pieces fitting perfectly together into the similar overall theme/story is 1 to millions of Trillions. In other words, these are no amazingly incredible coincidences.

Universal People's Statement of Freedom

(Maximum Freedom or Fascist Slavery; it's each individual's decision.)

Lovers of Freedom have continuously struggled against the forces of tyrannical governments for multitudes of centuries in the ever deceptive and animated contest between the spirit of enslavement versus the spirit of liberty. When in the course of world events it becomes clear government has become intentionally deceitful, destructive, and murderous - using any form of falsehood, manipulation of media, or theater as cover for an array of crimes - as well as for the next form of government, it is a matter of self-defense for the people of the nation and the world to throw off a corrupt system of government enslavement; and with expediency set then widely announce another special date, apart from July 4th, that will in the future echo worldly celebrations of the cause of liberty. The people should subsequently convene in large numbers on that date and also through the public global computing system of the time, for a convention of the people. The result of the open convention is to have authored, selected, and begun the implementation of a more protective system of shared rights, law, governance, and justice for the current and future generations; of any nation; for the collective happiness of all.

The laws of a Republic should be written clearly in the form of a constitution. However when once trusted political figures individually or as a whole concert of corruption, or the distribution of wealth or establishment system as a whole, betrays the trust of the citizenry by operating outside of the rules and constraints listed in such a constitution, then the citizens of the broken republic should take the stated recommendations of their previous declaration of independence & constitution, along with methods of self defense, back into their own hands. More than responsibility, it is the most sacred duty of the spirit of liberty and justice for all.

By the year 2008, through a persistent stream of offensive actions, including 9-11-2001, the organization widely known as the "United States Government" has declared itself murderous; while bankrupting the working class of America and instituting fascist rule. It has become evident to multitudes of people of every nation that the current government is allied with a cabal of corrupt international banking, war-mongering, so-called "freemasonic", “illuminati” or "new world order", interests. Therefore the “United States Government” has severely turned away from serving its sacred cause of freedom!

Therefore the “United States Government” has failed and is de-facto illegitimate as of the time of the announcement of this declaration at the start of the new people’s convention. Revolution is the only possible cure for fascism; and it has already gone beyond the need for a once independent people to have a fresh start! The people's convention date will be decided by the truth movement.

Consequently, All of its previous authority over the citizenry is thereby removed by this declaration; and All freemasonic governments worldwide should be dissolved entirely by the great many world’s people. All existing mob-ridden local governments over the individual and the municipalities should be fully dismantled, re-instituted, and rebooted with a fully transparent, efficient, protective, and accountable system model the people's convention democratically selects. All civil rights & laws should be voted for in a true 1-person-1-vote democratic and transparent form - as we always carry a vital responsibility to together choose what has control over our lives and what would ensure us maximum safety & happiness.

This progressive change of government should be enabled and empowered by the entirety of all national and returning armed forces together with all non-terminated local police and the widespread armed citizenry. No more system tyranny!

As we acknowledge this world-wide published declaration in multitudes, we pledge allegiance to each other. We are firm in our disassociation from the previous “United States Government” or any corrupt power. In unison We proclaim to disallow that organization to silence us, to control the mass media or the internet, to suppress us, to spray chemicals upon or conduct any experiments on us, to detain us, to imprison us, to terrorize nor genocide us, to tax us, to bill us, to create dollars or borrow credit, nor counterfeit paper money, to legislate for us nor to adjudicate any proceedings, to direct our armed forces, to make war, or make agreements in our name, nationally or internationally. We are fully aware of our God-given rights; including dissent.

Addendum: Initial action list for the people's convention (initial recommended date: July 5th, 2010; place: St. Louis, MO)

Withdrawing our businesses and franchises from federal or state-wide taxation of the "United States Government" and its equally corrupt *mother companies, the United Nations, International Monetary Fund, and World Bank.*

Create a new fully accountable system of money and taxation commissioned by the improved freshly-chartered citizen's government to: pay *off all national debts, redistribute wealth fairly, fund the new government, and reinvigorate the economy.*

Build a beautiful new national capitol city designed by non-freemasonic architects and constructed by the many hands of the nation within a *large, and voted-upon, national forest. A new capitol is essential to mark the change in thinking.*

Close and refurbish Washington DC, converting the former capitol into a city -wide orphanage and school campus for the nation's *underprivileged citizen children; dedicated in honor of patriots who lived bravely before us without shame.*

Establish a new passport identification, numbered as chronologically signed, and imprinted inside a new & improved Bill of Rights - to be made *available for all listed and future citizen signatories of this declaration of freedom from system tyranny statement; that anyone and everyone around the world is invited to recognize and support together forevermore. (All inmates individually reviewed for possible release.)*

No more will we allow homeless/helpless to be picked up, medically experimented upon, or murdered. Every destitute person should be given an opportunity by the new system to construct a dwelling and share in a community atmosphere.

An end to the concept of "foreclosures". No more will the system be able to profit by conspiring to set market conditions so that people are unable to afford their family homes. Each house now belongs to the family, not to a bank.

Project Fresh Start – Organic Home Gardening Incentive Program, using a portion of elite reclaimed wealth, to finally solve world hunger.

Democracy arises out of the notion that those who are equal in any respect are equal in all respects; because men are equally free, they claim to be absolutely equal. Republics decline into democracies and democracies degenerate into despotisms. - Aristotle

If the world knew how to use freedom without abusing it, tyranny would not exist. - Tehyi Hsieh

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever invented. Banking was conceived in inequity and born in sin... Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again... Take this great power away from them, or if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit. - Sir Joseph Stamp, former president of the Bank of England

Yes, we did produce a near perfect Republic. But will they keep it, or will they, in the enjoyment of plenty, lose the memory of freedom? Material abundance without character is the surest way to destruction. - **Thomas Jefferson** ~~~ To me the sole hope of human salvation lies in teaching. - **George Bernard Shaw** ~~~ The empires of the future are the empires of the mind. - **Winston Churchill** ~~ "I have unwittingly destroyed my country." - **Woodrow Wilson** {After signing the Federal Reserve Act in 1913) ~~~ The basic idea behind teaching is to teach people what they need to know. - **Carl Rogers** ~~~ Awaken people's curiosity. It is enough to open minds, do not overload them. Put there just a spark. - **Anatole France** ~~~ Education...beyond all other devices of human origin, is a great equalizer of conditions of men -- the balance wheel of the social machinery... It does better than to disarm the poor of their hostility toward the rich; it prevents being poor. - **Horace Mann** ~~~ There is no education like adversity. - **Benjamin Disraeli** ~~~ It is the supreme art of the teacher to awaken joy [life, liberty, happiness…] in creative expression and knowledge. - **Albert Einstein** ~~~ We think of the effective teachers we have had over the years with a sense of recognition, but those who have touched our humanity we remember with a deep sense of gratitude. - **Anonymous student**

Soldiers Code

1. I am an American soldier - A protector of the citizenry, sworn to uphold the Constitution of the United States.
2. I will treat others with dignity and respect and expect others to do the same.
3. I will honor my country and my fellow soldiers; those who are not traitors to the Bill of Rights & Constitution.
4. I am proud of my country & its flag. I wish to look back and say that I am proud to have served my fellow citizens.
5. Lastly, no matter what the situation I am in, I will never do anything for pleasure, profit, or personal safety which would disgrace my country, my uniform, my unit, my high school class, and the people of my country.

Obama-nation: "**National Socialism**"(1939-1945 Germany); power in fewer hands

has already before drastically TWICE PROVEN TO BE A TERRIBLE IDEA.

The "**OBAMAGRAM**" is CLEARLY AND MOST HIGHLY obvious.

Obama Can't Save You unless you prevent Obama from casting more deceptions.
Otherwise, perhaps, the future is already foretold.

The decoding states Obama ("Oh....bomb-us?") will die in a bomb blast.

The beast is not loyal to anyone, only the beast itself, even Obama.
"They", the global finance kingpins, will apparently ass-asinate Obama.
If Obama is not seen at ground zero prior to the the detonation (Washington DC?),
his demise would only be yet another ruse. (A large deep tunnel system exists under DC.
The white house has and entrance.)

Why a nuke? The incredible decoding states: "***A bomb eradicates prank***!"
(Letters of "President Barack Obama"): "**Ape bomb! Stark Radiance!** "
"***Stark Radiance***" seems to imply nuclear.

To help prevent this: hot photatocopy, make books, sell for a buck.

ABOUT THE **fascist "NEW WORLD ORDER"** BEAST SYSTEM; PUBLIC OPINION IS EVERYTHING.

Things are now getting worse more than under the scrub Bush! Total Darkness!

The major media celebrity liars WORLDWIDE need to be arrested & incarcerated
together first, then world's criminal elite class. Pronto!

The global elites need to be contained by the good guys within the various militaries; those helpful in their capture will receive full pensions funded from the gold, silver, real estate, etc. reclaimed for the people from the elites.

In the meantime, DO NOT ALLOW YOURSELF TO INJECT THE CORRUPT SYSTEM'S DEADLY VACCINATIONS.
WE MUST OVERCOME THIS STAGED PANDEMIC & QUARANTINE BY THE CORRUPT WORLD SYSTEM ASAP!

Discuss and prevent the elite's H1N1 flu bio-attack strategy!
Do it for others! (Also see: theflucase.com, fluscam.com, rense.com, and prisonplanet.com)

Ultimately the criminal elite will decide their own eternal fate. So will you...
